

Orcas Island Chamber Music Festival

Aloysia Friedmann, Artistic Director

The Gift of Music

The Orcas Island Chamber Music Festival is dedicated to the highest standards of musical excellence. The desire to have world-class chamber music performances on Orcas Island has created a tangible link between patrons and musicians. Among the most gratifying outcomes of this relationship is a future that assures continuation of the innovative and traditional programming our donors have come to value and enjoy.

Since its incorporation as a 501(c)(3) nonprofit organization in 1998, the Chamber Music Festival has received enthusiastic support from generous donors and professional organizations.

Chamber Music America's Acclaim Award • CMA/ASCAP Adventurous Programming Award
International Academy of the Visual Arts Communicator Award of Excellence

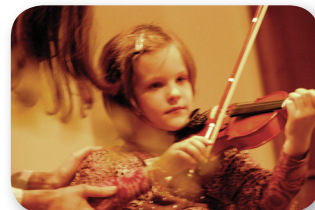

Grantee of the National Endowment for the Arts, Washington State Arts Commission and the Orcas Island Community Foundation

Your gifts and bequests create *The Gift of Music.*

World Class Musicians

come to Orcas Island to perform in a variety of venues. The Chamber Music Festival is known for the outstanding talent of guest artists who look forward to meeting island audiences.

Children are guided by OICMF's Musicians-in-Residence throughout the year.

Community members are inspired to improve their musical skills through classes taught by guest artists visiting Orcas Island through OICMF's *IM: In Music*.

Music Lovers' Seminars provide insight into the Festival repertoire and rare access to Festival artists during rehearsal just hours before performance.

Each of us can have a role to play in this unique collaboration among musicians, audiences, and the Orcas Island community.

You can help to shape the success and the future of chamber music performance and music education on Orcas Island.
